2nd SEERSS International Congress in Robotic Surgery

SEERSS 2013

South Eastern European Robotic Surgery Society

Athens 11-13 October

the future of surgery is here

Welcome Note

Dear colleagues and friends,

It is with great pleasure and honour that I have accepted to chair the organizing committee of the 2nd SEERSS International Congress in Robotic Surgery. Athens will host this year's event and all the committees are working hard to prepare a meeting that will include the very best on the field of robotic surgery. All robotic surgeons of South-Eastern Europe along with international experts in every aspect of robotics, will come together in Athens and share gladly their experience and latest insights with you.

Active participation of "young robotic surgeons" is highly encouraged and supported. You are all welcome to register, not only to attend the meeting, but also contribute with your significant work to this meeting.

Greek robotic community invites you to experience, not only the scientific program, but also the renowned Greek hospitality and the fascinating city of Athens. This event will give us the opportunity to enhance our friendship, meet old friends and make new ones, as well as to advance the collaboration of robotic surgeons in South-Eastern Europe.

I encourage you to accept my invitation and join us for this meeting where the future of surgery is already here.

You are all welcome in Athens

With warmest regards

Konstantinos G. Stravodimos
President, 2nd SEERSS International Congress in Robotic Surgery

2nd SEERSS International Congress in Robotic Surgery

SEERSS 2013

South Eastern European Robotic Surgery Society

Athens 11-13 October

the future of surgery is here

- **Topics (Preliminary)**

Robotic Surgery in Europe in the field of General Surgery including

- Hepatopancreatobiliary Surgery
- Thyroid Surgery
- Cardiothoracic Surgery
- Gynecology & Gynecologic oncology
- ENT Surgery
- Urology

- **Abstracts**

To aid us in the creation of an inventive program, it is important that everyone participating in the meeting encourage their colleagues, residents and students to submit innovative abstracts. The abstract submissions will be positioned to complement the invited faculty presentations, encouraging the introduction of new concepts. Early submissions will be given priority.

In order to submit your abstract online, please click [here](#)

Deadline for abstract submission **July 26th 2013**
Notification of authors: **August 2nd 2013**

• COMMITTEES

2nd SEERSS International Congress

President of the Congress:

Ass. Prof. Konstantinos Stravodimos, University of Athens

SEERSS BOARD MEMBERS

President:

Assoc. Prof. Konstantinos M. Konstantinidis, Athens Medical Center, Greece

General Secretary:

Assoc. Prof. Nikolaos Nikiteas, University of Athens, Greece

Treasurer:

Ass. Prof. Konstantinos Stravodimos, University of Athens, Urology, Greece

Members:

Prof. Grigor Gortchev, Pleven Medical University, Gynecologic Oncology, Bulgaria

Prof. Dr. Irinel Popescu, University of Medicine & Pharmacy "Carol Davila"

General Surgery, Romania

• VENUE- ROYAL OLYMPIC HOTEL

A short walk from the Acropolis, the 5* Royal Olympic Hotel is centrally located near the picturesque Plaka neighbourhood, just across the Temple of Olympion Zeus and 3 minutes walk from Acropolis METRO station.

• **HOST CITY**

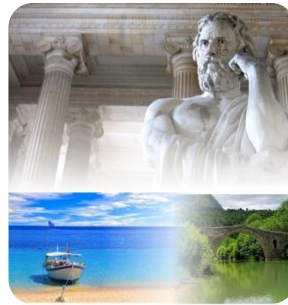

The Congress will be hosted in Athens, a city of great importance since ancient times for culture, philosophy and scientific thinking. Strolling through Athens, the visitor discovers this rich history as Ancient, Roman, Byzantine and modern monuments abound.

Take advantage of this unique feature and enjoy a trip into the course of history.

• **HOST COUNTRY**

Greece is considered to be the birthplace of modern western culture and democracy. In addition to rich historical offerings, Greece has gorgeous coastlines and mountains .
